Re: 2018 Program Update

The Nueces County Hurricane Reentry Plan is turning six this hurricane season. In cooperation with the Cities of Aransas Pass, Corpus Christi, Port Aransas and Robstown Offices of Emergency Management, we are making NO changes for this year beyond clerical updates.

We will be conducting training opportunities to our schedule this year and will also be conducting a drill in late June for participants on the issuance of the reentry letters. We look forward to working with each of you to continue to strengthen our program. Please visit our website for a copy of the reentry plan, request form, helpful presentation materials and quick reference sheets:
